

Ritchie Boyce aka FRIDAY RACING

FRIDAY has moved from New Zealand to WA to further challenge himself in his passion of Jetski Racing.

Custom Paint & Jetski Repairs pay the bills but the thrill of an AVGAS fuelled Seadoo SPX 800 superstock Jetski racing is what drives him.

If you are looking for Custom Paint & Fibre Glass, Jetski repairs or even a second hand jetski, give Friday a call on 0405 520 831 or go to the website link below.

FRIDAY is currently looking for sponsorship to assist with costs. If you're interested in getting your name out there with a bit of promotion, check out www.friday-racing.com.
